

## About **Adam Rohrabaugh**

Adam Rohrabaugh is a Support Specialist/Tyler Munis Services for Connect. He has been with Connect since March 2018.

Adam has a Bachelor of Arts in Adult to Young Adolescent Mathematics and a Bachelor of Science in Mathematics from the University of Akron. He expects to obtain his School Treasurer's License within a few months.

Adam provides support for Connect school districts currently using the Tyler Munis software for areas ranging from financials to payroll.

Prior to working at Connect, Adam was a math tutor for Inspiring Minds, located in Warren, Ohio, where he worked with students on developing problem solving strategies and enhancing critical thinking in order to help them become efficient learners. Afterwards, to work on pursuing his treasurer's license, Adam interned with Berea City School District's treasurer, Ryan Ghizzoni. At Berea, he worked with both USAS and Tyler Munis software in payroll, monthly balancing, accounts payable, and accounts receivable.
