

About Candi Lukat

Serving Connect customers since 2019

Candi Lukat is a Support Specialist, Fiscal Services for Connect.

As a Support Specialist/Fiscal Services for Connect, Candi provides support to the State Software team and she is involved with the implementation of Redesign. She offers assistance and resources to our clients in utilizing data systems, troubleshooting software problems, workflow investigation and training.

Prior to joining Connect, Candi spent 20 years in public school finance at districts in Ohio and California. She holds a Bachelor Degree and Master of Public Administration from The Ohio State University, and completed the School Business Management Program at The University of Southern California. In addition, she has an Ohio School Treasurer License and is a Certified Chief Business Official.
