

About **Heidi Rhodes**

Heidi Rhodes is a Support Specialist/Student Systems for Connect. She has been with Connect since 2016.

Heidi earned a Master of Educational Administration in Curriculum, Instruction and Professional Development as well as a Bachelor of Arts in Elementary Education with a minor in Computer Science.

Prior to working at Connect, Heidi was the Director of Technology & EMIS Coordinator for the Brooklyn City District. She worked at Brooklyn for 9 ½ years in various roles providing information system and technology support to staff and students. Heidi also has classroom experience as a former elementary teacher.

Heidi lives in Mentor with her husband and her son. She enjoys spending time with her family & friends, road trips to classic car shows, and cooking.
