*Student count is obtained from the following sources in order of precedence/availability or using whatever count is highest:*

- *SIS System Student Counts Provided by SIS Vendor*
- *StudentInformation - Analytics Hub - Student Count Report District Detail*
- *PowerSchool - Start Page > System Administrator > System Settings > Server Statistics - Active Students on Server*
- *Cleveland Diocese Student Counts*
- *Active Library Patron Counts According to INFOhio*
- *ODE - Home > Data > Frequently Requested Data > Enrollment Data*
- *ODE - Home > Finance & Funding > School Payment Reports > State Funding For Schools > Non-Public Schools*

*For non-school/non-district entities, the staff count may be utilized as a source for head count figures; potential sources would include fiscal systems, kiosk, federal, or state data.*
