¹ Student count is obtained from the following sources in order of precedence/availability or using whatever count is highest:

- SIS System Student Counts Provided by SIS Vendor
- InfiniteCampus – Reporting> AdHoc Reporting > Filter Designer > Student Counts
- StudentInformation - Analytics Hub - Student Count Report District Detail
- PowerSchool – System Management > Server > Server Statistics - Active Students on Server
- Cleveland Diocese Student Counts
- Active Library Patron Counts According to INFOhio
- ODE - Home > Data > Frequently Requested Data > Enrollment Data
- ODE - Home > Finance & Funding > School Payment Reports > State Funding for Schools > Non-Public Schools

For non-school/non-district entities, the staff count may be utilized as a source for head count figures; potential sources would include fiscal systems, federal, or state data.

Discontinuing a Service: For any of the services (support, software, subscriptions, et al) listed above, should the school/district wish to discontinue a service, notice must be provided in writing 90 days prior to the renewal date for that service. If no notice is received, it will be assumed that the service should renew for the following school year.
